

BUILD A BRAVO™ APPLE BIG BEN

WHAT YOU NEED TO BUILD A BRAVO™ APPLE BIG BEN

- Bravo™ apples 2-3
- Toothpicks – you will need more the bigger your tower will get!

CREATE YOUR BIG BEN

1. Have an adult cut your Bravo™ apple into bite-sized pieces (try not to eat any!).
2. Get your toothpicks and your Bravo™ apple pieces
3. Start at the bottom (remember having a flat piece at the bottom will help it stand up) and connect your Bravo™ apple pieces and toothpicks to work your way to the top to create your Big Ben.
4. How tall can you make your Big Ben??
